Alex's Smash Story

👁 18 ✓ 0 ★ 2

Chapter 1 by Elias M

Hello, my name is Alex and I am the best Super Smash Melee player in the world. This is a story of how I rose to the top, and reinvented Smash.

I clicked the controller into the console, and sat down next to my opponent who they call tiger, after a bit of fiddling around with the new controller I selected my character, Marth. I then proceeded to type in my tag ALE. I looked to my opponent who is playing Falcon. We played rock paper scissors (me losing to rock) and struck stages till we land on Final Destination.
